Scheduled Medication Form

In accordance with State Education Law, this district requires that all students who need medication during school hours must do the following:

1. Present a written consent form signed by the health care provider stating what medication is needed, the dosage, and when the medication is to be given.
2. Present written consent from parent for student to receive medication as prescribed by health care provider.
3. Bring the medication in the original container, with the pharmacy/package label, to health office personnel.

Parents may request that the pharmacist dispense two bottles of medication, one for home and one for school.
